

David Rushton Will Represent Canada!!

David and his wife Dini, came to Florida in 2003 for the first time, and went to Winters Mobile Home Park. They were introduced to Shuffling by Marshall Leigh, a great Pro Shuffler who was teaching in Winter's Park, in Zephyrhills at that time. They never looked back, and have never regretted it for a minute. We first started shuffling in a 4 Park league and progressed from there. Dini was in the

ISA Singles for England in 2009 and I was a spectator but fell in love with the format set up for the ISA. David was runner up in the Reiny Schleier as a District Amateur in 2009, and a participant in the same tournament as a State Amateur in 2010. In Oct of 2010 David moved up to Pro status and participated in the ISA World Team event in Germany in Aug. of 2010. David said his greatest experience so far in shuffling was going to the first Inter Provincial tournament held in Coldwater Ontario in July of 2009 with the Nova Scotia team and winning the gold, both men (tied with Ontario) and women. All that, and Nova Scotia didn't even have a shuffleboard association at that time. David has been the President of the Winter's Park Shuffleboard Club for the past 2 years, and a director of the CNSA for the past year. David and his wife are currently trying to get Shuffleboard started in Pugwash Curling Club, in Pugwash N.S. They currently have 35 people in the Oxford/Pugwash area signed up to join when it becomes available. We currently have 2 roll out courts on loan from the NB Shuffleboard Association Inc. to support us in our endeavors at Pugwash. So as you can see Shuffleboard has been really good to my wife and I and I hope in some small way we can give something back, and encourage others to participate in this great game of Shuffleboard.
