

1st Time Participant > Glenda Brake

Glenda's Remarks: I am getting excited about the tournament now with only 3 weeks left. I live in Paradise, (next to St. John's, capital of Newfoundland & Labrador, Canada) in the summer and I live in Heaven (Forest Lake Estates, Zephyrhills, Florida, US) in the winter.

I have curled in the past and as I really enjoyed curling I thought I would try shuffling in my park in

2009. I have placed 1st in the 8-park league Consolation event. I played for a year in my park and decided I wanted to expand a little. In the spring of 2010 I tried Zephyrhills Shuffleboard Club and really enjoyed the 75 point game. In the fall I joined that club. This past winter I played in local tournaments. It was exciting to place 2nd in the Championship event in an Area Tournament against some tough more experienced competition.

I really enjoy shuffling and hope to expand to other Area/District tournaments this winter. I would like to be able to shuffle in the summertime but don't have that option now unless I move.

Glenda Brake. 2011 07 12.

Stan's Note: Although I have been to St John's, I have not been to Paradise!! Only in Newfoundland would one find Paradise!! Glenda will undoubtedly bring just a little bit of Paradise to her sister province New Brunswick. We look forward to her initial participation in the World Singles Event.
