

## CNSA WEBMASTERS REPORT FOR 2024 AGM

First of all I want to thank Muriel Burnett for being the Assistant webmaster and being a big help putting some of the posts onto our website.

2023 was a busy year for the website, with over 14 thousand "Views" - almost twice the amount since 2000, as shown below. This is encouraging. It implies that more people are making use of the website more often. But I must note that the number of "Posts"

(news items etc. on the main page) decreased significantly over the past year. Overall The CNSA seemed fairly active last year, so I don't think there was really less to talk about. I will say that I would welcome additional items to post, and thus help make the website better at promoting shuffleboard! Anything with one or more pictures is especially interesting!

YEAR	2020	2021	2022	2023
POSTS	31	55	64	44
IEWS	7,237	12,381	12,968	14,136

I welcome any suggestions from CNSA members, and any offer to help, or send us some news! For example Glenna Earle kindly sent us information about the "1<sup>st</sup> Saltwater" tournament. To find it go to the CNSA website and type "20100720" into the search box and press Enter, and Continue reading. Let me know what you think!.

One of my objectives this year is to simplify the main menu and clean out some old, unused documents and web pages. If you feel there are documents such as minutes of meetings etc that you feel should be retained, please let me know, and/or take any copies that are important to you.

To close, I will just say "Good Shuffling" to you all.  
Bill Boyes (Shuffleboard Bill), your webmaster since 2010!

Respectfully,  
Bill Boyes
